NDIS PRICE GUIDE

TIME OF DAY AND DAY OF WEEK

In determining which price limit is applicable to a support, the important consideration is when the support is provided to the client, not the shift of the worker used to deliver that support as determined by the applicable Industry Award or Enterprise Bargaining Agreement (EBA).

For NDIS claiming purposes, the provider must first determine the day of the week on which the support was provided on and then the time of the day during which the support was delivered.

(Note: weekday means Monday, Tuesday, Wednesday, Thursday, or Friday).

- A **Weekday Support** is any other support, and is either:
 - A **Weekday Daytime Support** is any support to an individual client that starts at or after 6:00 am and ends before or at 8:00 pm on a single weekday (unless that support is a Public Holiday Support or a Night-time Sleepover Support).
 - A **Weekday Evening Support** is any support to an individual client that starts after 8:00 pm and finishes at or before midnight on a single weekday (unless that support is a Public Holiday Support or a Night-time Sleepover Support).
 - A **Weekday Night Support** is any support to an individual client that commences at or before midnight on a weekday and finishes after midnight on that weekday, or commences before 6:00 am on a weekday and finishes on that weekday (unless that support is a Public Holiday Support, Saturday Support, Sunday Support or a Night-time Sleepover Support).
- A **Night-time Sleepover Support** is any support to an individual client delivered on a weekday, a Saturday, a Sunday or a Public Holiday that:
 - commences before midnight on a given day and finishes after midnight on that day; and
 - is for a continuous period of eight (8) hours or more; and
 - the worker is allowed to sleep when they are not providing support.
- A **Public Holiday Support** is any support to an individual client that starts at or after midnight on the night prior to a Public Holiday and ends before or at midnight of that Public Holiday (unless that support is a Night-time Sleepover Support).
- A **Saturday Support** is any support to an individual client that starts at or after midnight on the night prior to a Saturday and ends before or at midnight of that Saturday (unless that support is a Public Holiday Support or a Night-time Sleepover Support).
- A **Sunday Support** is any support to an individual client that starts at or after midnight on the night prior to a Sunday and ends before or at midnight of that Sunday (unless that support is a Public Holiday Support or a Night-time Sleepover Support).
